

Give the Gift of Life!
Learn more about organ, eye and tissue donation!

Organ, eye and tissue donation allows you the opportunity to give hope to the nearly 115,000 people in need of lifesaving organ transplants and the thousands more in need of healing cornea and tissue transplants.

**Log onto www.donatelifewv.org
to register or learn more about donation.**

Afatamah,
liver recipient.

Fact: All major religions in the United States support organ, eye and tissue donation. For more information ask your faith leader about your religion's specific point of view.

Fact: There are no age limits for registering to be an organ, eye and tissue donor.

Avrie,
heart recipient.

Fact: At the time of death, your medical history will be evaluated to determine what organs and tissues can be donated, so never rule yourself out, even if you have been sick in the past or have current health issues.

Fact: There is no cost to a donor's family or estate for donation.

Give the Gift of Life! Add your name to the West Virginia Donor Registry and learn more about donation at www.donatelifewv.org

Jim,
lung recipient.
