to register or learn more about donation.**

Afatamah,
liver recipient.

Myth: Organ, eye and tissue donation is against my religion.

Fact: All major religions in the United States support organ, eye and tissue donation. For more information ask your faith leader about your religion's specific point of view.

Myth: I am too old to be an organ, eye and tissue donor.

Fact: There are no age limits for registering to be an organ, eye and tissue donor.

Avrie,
heart recipient.

Myth: I am in poor health. Can I still be a donor?

Fact: At the time of death, your medical history will be evaluated to determine what organs and tissues can be transplanted, so never rule yourself out for donation even if you have been sick in the past or have health issues.

Myth: It costs money to donate.

Fact: There is no cost to a donor's family or estate for donation.

Give the Gift of Life! Add your name to the West Virginia Donor Registry and learn more about donation at www.donatelifewv.org
