After Education

I support organ, eye and tissue donation.

I plan to sign up to be an organ, eye and tissue donor.

Any healthy person can donate organs upon their death.

One person can save eight lives and heal 75 through donation.

An open casket funeral is still possible after donation.

In the United States, it is legal to buy and sell organs.

One reason for the scarcity of organs is because many religions are against donation.

The media does a good job at representing the donation process.

Talking to my family isn't really necessary if I'm a registered donor.

I have questions about organ, eye and tissue donation.
