

2025 LIFELINE OF OHIO SPONSORSHIP OPPORTUNITIES

CANDLELIGHT CEREMONY & DONOR FAMILY RECEPTION

Candlelight Ceremony

Held each year during Donate Life Month in April, the Lifeline of Ohio Candlelight Ceremony honors organ, eye and tissue donors; celebrates the lives that have been saved and healed through donation; and provides hope for those still waiting for their lifesaving transplant. The ceremony, which takes place at our Donor Memorial, is free and open to the public.

Donor Family Reception

The Lifeline of Ohio Donor Family Reception is a time to join with donor families as they honor their donor heroes who have given the generous gifts of life and healing through organ, eye and tissue donation. We also honor those heroes in spirit, who said “yes” to donation but were unable to donate.
