

Placenta Donation Referral Process & Office Quick Guide

Refer your patients in 3 easy steps!

STEP 1

- Provide educational materials from Lifeline of Ohio's Placenta Donation Program.
- Ask if the patient is interested in placenta donation.

* _____ will educate and discuss with patients.

STEP 2

- If the patient is interested, call Lifeline of Ohio's 24/7 Donation Support Services (DSS) referral line at **877-B-A-DONOR** or fill out our online form at lifelineofohio.org/placentadonation.
- Provide the following information to complete the referral:
 - Name of Practice
 - Name of Delivery Hospital
 - Name of Patient
 - Patient's Date/Time of C-section or due date
 - Patient's DOB
 - Patient's Phone Number

* _____ will send the referral.

STEP 3

- Once the referral is sent, inform the patient to expect a call from Lifeline of Ohio.
- Lifeline of Ohio will ask the patient to complete forms over the phone prior to delivery.

* _____ will inform patient to expect a call from Lifeline of Ohio.
